PROJECTS

Diamond_Price_Prediction - Multiple Linear Regression

R | Predictive Modelling | Log Transformation | VIF Analysis | Loyola College (MSc Statistics) · 2025

GitHub  : <https://github.com/Balaji-S-Analyst25>

- Built MLR model on 53,940-record Kaggle dataset; applied log transformation to improve R² from 85.6% to 90% and diagnosed multicollinearity using VIF analysis in R.

Music Consumption Pattern Analysis — Survey Statistical Study

R | Power BI | Non-Parametric Testing | Primary Data Collection | D.G Vaishnav College (BSc Statistics) : 2024-25

GitHub  : <https://github.com/Balaji-S-Analyst25>

- Collected primary data from 68 respondents; applied Chi-square, Kruskal - Wallis, and Mann-Whitney tests in R.
- Visualised key findings (44% Pop preference, 63% Spotify) using Power BI.

CERTIFICATIONS

Advanced MS - Excel Certification

12/2022 – 02/2023

Futuro Focus

Python for Statistics

12/2023 – 03/2024

Futuro Focus

Data Analytics with Power-BI

11/2024 – 12/2024

Futuro Focus

Data Analytics with Tableau

12/2024 – 01/2025

Futuro Focus

ACCOMPLISHMENTS

Class Representative - Msc. Statistics

2025 | Chennai

Leadership Experience

Vice President [Bizstat Association]

2023 – 2024 | Chennai

AWARDS

Proficiency Award for 1st UG Class topper

04/04/2024

Proficiency Award for 2nd UG Class topper

03/04/2025

Shri vallabhacharya Gold Medal for best Outgoing Student of Bsc .Statistics

06/04/2026

DG Vaishnav College

TECHNICAL SKILLS

Advanced Microsoft Excel • R Programming • Power BI • SQL (Basic Queries) • Python (Basics for Data Analysis) • Tableau • C++ Programming • Google Sheets

ANALYTICAL SKILLS

Data Validation • Data Cleaning • Data Visualization • Statistical Modelling • KPI Reporting • Dashboarding • Data Analytics • Data Reporting • Survey Analysis
